### ***Toyota of Tri-Cities Presents Winner of Mid-Columbia Duck Race with New Truck!***

Tri-Cities, WA—The staff at Toyota of Tri-Cities are excited to present a new **2022 Toyota Tacoma Dbl Cab Shortbed truck** to representatives of **DGR Grant Construction**, grand prize winner of the 2022 Rotary Mid-Columbia Duck Race. The special presentation ceremony will take place at **11:00 a.m.** on **Tuesday, October 18th** at the dealership located at 6321 W. Canal Drive in Kennewick. Toyota staff, Rotarians, and other Mid-Columbia Duck Race representatives will be attending to provide DGR Reps with a warm send-off as they drive away.

This is the **17th** year that Toyota of Tri-Cities has donated a new vehicle to the Rotary Mid-Columbia Duck Race. The vehicle provides a major incentive that drives ticket sales, proceeds of which are distributed to local Rotary clubs to fund their charitable projects. 20,178 tickets were sold this year bringing tens of thousands of dollars into the community to support non-profit organizations. The Rotary Clubs of the Tri-Cities wish to thank Toyota of Tri-Cities for their continued support of the Rotary Mid-Columbia Duck Race!

**Please plan to attend this important presentation ceremony to cap off another successful Rotary Duck Race!**
