

*Presented by Columbia Center, Columbia Valley Daybreak, Richland, Richland Riverside,
Pasco-Kennewick, and Tri-Cities Sunrise Rotary Clubs*

- Rotary is a worldwide organization of business and professional leadership that provide humanitarian service and encourages high ethical standards in all vocations.
- The Duck Race is the major annual fundraising activity for six local Tri-Cities Rotary Clubs. In 2023 the race will celebrate its 35th year.
- Nearly 400 Rotarians in the Tri-Cities will sell over 25,000 duck tickets between July and September 23rd of this year. The top prize in 2023 will be a 2023 Toyota Tacoma SR 4x4 Double Cab sponsored by Toyota of Tri-Cities valued at \$35,608 MSRP.
- Over 50 other prizes donated by local businesses (many are Rotarians) are given to race winners. Each prize, donor and prize value is printed on the back of each ticket providing donors excellent positive public visibility. Prize donors are recognized on social media and the duck race website (tcduckrace.com)
- All net proceeds from the race are distributed through local Tri-Cities Rotary to their chosen not-for-profit charities, humanitarian efforts, and organizations – some examples of recipients in the past include High School Student Scholarships, Columbia Industries, ARC of Tri-Cities, Grace Clinic, Boys and Girls Club, Reading Foundation of the Mid-Columbia, Project Warm Up, Washington Operation Thank You, Scouting, and many more!
